Emergency and Public Safety	Mayors' Updates	109	03/22/2020	16:00	26:46	In the aftermath of the EF4 tornado that tore through Cookeville on March 3, and with the advent of the Novel Corona Virus and its ensuing panic and restrictions, WCTE began broadcasting live public safety updates from the Putnam County and Cookeville Mayors, beginning just hours after the tornado and continuing into Q2 2020. Due to the nature of the live, ad hoc updates, it was impossible to track through our JMC the exact time and duration of the early broadcasts, which were at first hourly, then several times a day for the remainder of the first week, then daily.
