INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Upper Cumberland Broadcast Council, Inc. Cookeville, Tennessee

I have audited the accompanying financial statements of Upper Cumberland Broadcast Council, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Upper Cumberland Broadcast Council, Inc. as of June 30, 2015 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

UPPER CUMBERLAND BROADCAST COUNCIL, INC.

June 30, 2015 with comparative totals as of June 30, 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Activities

The Upper Cumberland Broadcast Council, Inc. (the Council) is a PBS affiliated television station serving the Upper Cumberland region. January 16, 1986, the Tennessee State Board of Education transferred to the Council all its rights to the Federal Communications Broadcast License in accordance with Chapter 514 of the Tennessee Public Broadcast Act of 1983. No value was assigned by the Council. The Council serves the citizens of the Upper Cumberland region by providing diversified programming and quality instructional programs. The Council's support comes primarily from federal and state government grants and various corporate and individual donors.

Public Support and Revenue

Contributions are recognized when the donor makes a promise to give to the Council that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net asset. All promises to give at June 30, 2015 and 2014 were due in one year.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents cash amount

For purposes of the statements of cash flows, the Council considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Receivables

Receivables consist of amounts due currently from members and sponsors and grantors. The Council considers any amount over 90 days old to be past due. Management evaluates the need to write-off a receivable based on its review of accounts receivable and historical collection experience. Management writes off a receivable as a charge to bad debt expense, when in its estimation, it is probable the receivable is worthless. Recoveries of accounts previously written off are recorded as reduction in bad debt expense when collected. The Council believes that all accounts receivable at June 30, 2015 and 2014 will be fully collected. Accordingly, no allowance for doubtful accounts is required.

Program Fees

Amounts paid for programs are expensed as incurred as the programs are aired within the same fiscal year.

UPPER CUMBERLAND BROADCAST COUNCIL, INC.

June 30, 2015 with comparative totals as of June 30, 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Advertising

Advertising is expensed as incurred. Advertising expense as of June 30, 2015 and 2014 was \$15,043 and \$4,339 respectively.

Property and Equipment

It is the Council's policy to capitalize property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Council reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Council reclassifies temporarily restricted net assets to unrestricted at that time.

Depreciation is calculated using the straight-line method and half-year convention over the following estimated useful lives:

Buildings	30 years
Leasehold improvements	10 years
Vehicles	5 years
Furniture, fixtures and equipment	3-30 years

Financial Statement Presentation

The Council is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Reclassification

Certain reclassifications have been made to the 2014 financial statement presentation to correspond to the current year's format.

Compensated Absences

Employees of the Organization are entitled to be paid for unused vacation days upon termination and retirement. The Organization accrues a liability for vacation at fiscal year-end.

UPPER CUMBERLAND BROADCAST COUNCIL, INC.

June 30, 2015 with comparative totals as of June 30, 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Income Taxes

The Council is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes. For fiscal tax years 2015 and 2014, the council reported zero unrelated business income. The Corporation uses the same accounting methods for income tax and financial reporting.

Management has evaluated its tax positions for all open tax years. Currently, the tax years open and subject to examination by the Internal Revenue Service are the 2012, 2013, and 2014 tax years. However, the Corporation is not currently under audit nor has the Corporation been contacted by any jurisdiction. Based on the evaluation of the Corporation's tax positions, management believes all tax positions taken would be upheld under an examination. Therefore, no provision for the effects of uncertain tax positions have been recorded for the fiscal year ended June 30, 2015.

Fair Value Measures

The Organization reports its fair value measures using a fair value hierarchy defined by generally accepted accounting principles (GAAP) that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under GAAP are:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability;
- Level 3 Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, inputs supported by little or no market activity).

Investments

Investments in marketable securities are stated at fair value in the statements of financial position. The fair value of equity securities is determined based upon quoted prices in active markets (Level 1 measurements). Realized and unrealized gains and losses are included in the change in net assets and are included in the statements of activities as net realized and unrealized gains (losses) on investments.

UPPER CUMBERLAND BROADCAST COUNCIL, INC.

June 30, 2015 with comparative totals as of June 30, 2014

NOTE 2: EMPLOYEE BENEFIT PLAN

The State of Tennessee, Public Chapter No. 339, house Bill No. 304, provides for the continuation of certain benefits for employees of publicly owned educational television stations. Certain employees may elect to remain a member of the State of Tennessee Consolidated Retirement System with the Council being responsible for all employer costs incurred as a result of the employees electing to remain a member of the retirement system. The plan is not permitted to accept new participants. Employer contributions for the years 2015 and 2014 were \$10,853 and \$16,661 respectively.

NOTE 3: SAVINGS INCENTIVE MATCH

WCTE offers up to a 3% match of employee wage contribution for a simple IRA fund if the employee is eligible. To be eligible, the employee must have earned at least \$5,000 in the prior two years and must be expected to earn \$5,000 in the current year. The Council's contributions for the year ended June 30, 2015 was \$2,900.

NOTE 4: PROPERTY & EQUIPMENT

The following is a summary of property & equipment as of June 30, 2015 and 2014:

NOTE 7: CONCENTRATIONS

The Council receives approximately 70% of its revenues from grant funding sources. The Council must make an annual application for these funds and no guarantees exist that these funds will be received.

Financial instruments that potentially subject the Council to concentrations of credit risk consist principally of cash, marketable securities, and receivables.

The Council maintains its cash accounts in commercial banks located in Tennessee. Accounts at each bank are guaranteed by the federal Deposit Insurance Corporation (FDIC) up to \$250,000 per bank. Amounts on deposit at various times through the year in a single financial institution exceed the \$250,000 federally insured limit. There were no uninsured balances at June 30, 2015.

The Organization's investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of financial position.

Accounts and other receivables are due from a variety of sources concentrated primarily within Tennessee. The grants receivable is an amount due from the PBS and City of Cookeville.

Management believes that the Council is not exposed to any significant credit risk related to the above accounts.

NOTE 8: DONATED MATERIALS, FACILITIES AND SERVICES

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor restrictions.

The Council utilizes donated facilities from Tennessee Technological University. These facilities consist of office and studio space. The estimated fair rental value as of June 30, 2015 and June 30, 2014 was \$74,190 and \$65,952, respectively. The estimated fair rental is based upon current market conditions within the local area.

Donated services are recognized as contributions if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization recorded \$42,181 and \$43,528 in donated services and fixed assets, in the years ended June 30, 2015 and 2014, respectively most of which was charged to management and general expenses. Additionally, many individuals volunteer their time and perform a variety of tasks that assist the Organization but those services did not meet the criteria for recognition and have not been recognized in these financial statements.

NOTE 9: UNEARNED RENTAL INCOME

As of August 1, 2006, the Council entered into a fifteen-year contract to lease a transmitter building and related improvements located on property the Council owns in Putnam County, Tennessee. The terms of the contract stated that the Council received all rents for the contract period upfront. The Council's unearned rental income at June 30, 2015; and 2014 was \$31,666 and \$38,000, respectively.

NOTE 10: OPERATING LEASE COMMITMENTS

The Council is obligated under various non-cancelable leases for office space, automobiles and technical equipment in approximate annual amounts. Minimum lease commitments under these leases are as follows:

For the year ending June 30, 2016

\$ 19,432

Rental expense was \$18,382 and \$16,828 for the fiscal years ended June 30, 2015 and 2014, respectively. All of the payments were for minimum rentals.

NOTE 11: FAIR VALUE MEASUREMENT

The following table presents the assets and liabilities recognized in the accompanying statements of financial position that are measured at fair value on a recurring basis and the level within the fair value hierarchy in which those fair value measurements fall at June 30, 2015 and 2014:

NOTE 13: SUBSEQUENT EVENTS, (continued)

A direct appropriations grant from the State of Tennessee has been received as of September 30, 2015 in the amount of \$430,793. Three grants from the Corporation of Public Broadcasting totaling \$695,514 are pending the completion of certain legal paper work and financial reporting. Subsequent events have been evaluated for accrual and/or disclosure through November 5, 2015, the date the financial statements were available to be released.

NOTE 14: TOWER RENTAL

The Corporation receives revenue for tower rental under two operating leases with remaining terms of 1 to 2 years. Both of these leases have at least one five-year renewal period remaining.

Future minimum rentals under the above leases are as follows:

Year Ending June 30	
2016	43,764
2017	20,754
2018	6,221
	\$ 70,739

NOTE 15: COMMITMENTS AND CONTINGENCIES

Certain contracts and grants received by the Organization are subject to audit or review by the grantor/payer agencies. As a result of these audits or reviews, the Organization may be required to repay a portion of grant or contract funds received. However, management does not believe any liability related to its grants and contracts would be material.

To the Board of Directors and Management of Upper Cumberland Broadcast Council, Inc.

In planning and performing my audit of the financial statements of the Upper Cumberland Broadcast Council, Inc. as of and for the year ended June 30, 2015, in accordance with auditing standards generally accepted in the United States of America, I considered the Upper Cumberland Broadcast Council, Inc.'s internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, I do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

My consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the board of directors, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

To the Board of Directors
Upper Cumberland Broadcast Council, Inc.

I have audited the financial statements of the Upper Cumberland Broadcast Council, Inc. for the year ended June 30, 2015, and have issued my report thereon dated November 5, 2015. Professional standards require that I provide you with information about my responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of my audit. I have communicated such information in my letter to you dated September 18, 2015. Professional standards also require that I communicate to you the following information related to my audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Upper Cumberland Broadcast Council, Inc. are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. I noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates to report.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

I encountered no significant difficulties in dealing with management in performing and completing my audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The following material misstatements, in the aggregate, detected as a result of audit procedures were corrected by management: Adjustments to grants receivable totaled \$40,980.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to my satisfaction, that could be significant to the financial statements or the auditor's report. I am pleased to report that no such disagreements arose during the course of my audit.

Management Representations

I have requested certain representations from management that are included in the management representation letter dated November 5, 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, my professional standards require the consulting accountant to check with me to determine that the consultant has all the relevant facts. To my knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

I generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditor. However, these discussions occurred in the normal course of my professional relationship and my responses were not a condition to my retention.

This information is intended solely for the use of the board of Directors of the Upper Cumberland Broadcast Council, Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.
